with Champagne Bronze Poles
WV Camden Round Tables with Faux-Wood Seats

COMMERCIAL OUTDOOR UMBRELLA COLLECTIONS

Wabash Valley umbrellas are made not only to endure diverse weather conditions, but also to provide quality, selection and longevity. Our full line of quality umbrellas hold up to the harshest weather conditions including intense sunlight, high winds, salt air and driving rain. All umbrellas can be used in table or freestanding applications. Unlike traditional metal and wood ribbed umbrellas, Wabash Valley Umbrellas are constructed using fiberglass ribs which are strong and resilient, bending and flexing to absorb wind without breaking or disfiguring. This durability, combined with an inherent resistance to rust and corrosion, results in umbrellas that last four to five times longer than traditional steel or wood ribbed umbrellas. All of our umbrella collections are compatible with both the Heritage and Urbanscape furniture collections from Wabash Valley.

ALL-ALUMINUM UMBRELLAS

- Frame available in silver color only.
- Assembly is required.
- Top canopy perforated pattern available in all standard powder-coated options.
- 92" octagonal all-aluminum umbrella, made from .125" thick aluminum.
- Pole — 5 mm thick x 1.5" diameter aluminum extrusion.
- Ribs — .75" square extruded aluminum tubing.
- The umbrella is permanent once it is assembled and mounted. It will not close and cannot be taken down.

ALL-ALUMINUM UMBRELLAS MUST BE:

- Secured to a permanently mounted table.
- Permanently surface-mounted, using the approved base if not secured to a surface-mounted table.
- If used with third-party-manufacturer's table or in a stand-alone application, the umbrella must be permanently surface-mounted to the ground.
- Do not use the umbrella unless it is properly installed and mounted to a concrete surface.
- Assembly instructions must be adhered to as written, or serious injuries could occur.
- We strongly recommend the umbrella be used only with tables manufactured by Wabash Valley.

COMMERCIAL OUTDOOR UMBRELLA COLLECTIONS

UMBRELLA WARRANTY—Wabash Valley Umbrellas warrants our two piece fiberglass ribbed Garden, Terrace, Market Umbrellas for a period of one year from the date of purchase, to the original purchaser, against defects in materials and workmanship. Additionally, fiberglass support ribs on our Market Umbrellas are warranted for five (5) years from the date of purchase. One piece pole umbrellas are warranted for a period of five (5) years from the date of purchase, to the original purchaser, against defects in materials and workmanship. Fiberglass support ribs are also warranted for five (5) years. Though our umbrellas have successfully passed wind tests over 50 miles per hour, we do not recommend allowing umbrellas to remain open during storms or strong winds. Customer is responsible for taking the umbrella down when winds reach unsafe conditions. Normal care and maintenance of products is required to insure years of problem free use. For warranty to apply products must be properly cared for and maintained and all umbrellas must be secured in a properly weighted base. Modifications made to the product after production may void warranty. Damaged umbrellas should be immediately taken out of service. This warranty does not cover the umbrella pole or crank, normal fading of fabrics and finishes and chemical stains. This warranty does not cover any damage due to acts of God, abuse, misuse or vandalism incurred to the umbrella after purchase, nor does it cover customer's own material. This warranty does not provide coverage or reimbursement for loss of use, time, inconvenience or other damages resulting from any defect in the product. To find out more about our warranty or to file a claim, please contact our customer service department. No returns will be accepted without prior approval.

FABRIC WARRANTY—Fabric options offered vary by product. Marine grade solution dyed acrylic fabrics are warranted against light fastness for a period of six (6) to ten (10) years depending on the fabric mill. The fabrics are covered under a limited prorated warranty provided directly from the fabric mill. This warranty covers the fabric becoming unserviceable because of loss of color or strength from normal exposure conditions including sunlight, mildew, rot and atmospheric chemicals. Warranty does not cover ripped, torn or frayed fabric or seams. It does not cover labor and installation. In the event that your fabric fails, please contact us to inspect fabric, submit a claim and secure replacement fabric. All fabric must be properly maintained and cleaned regularly for the warranty to be effective. Spun Acrylic, Vinyl Coated Weaves, Customer's Own Materials, and select marine grade fabrics do not carry an additional warranty.
