

A man and a woman are sitting on a dark metal park bench outdoors. The man, on the left, is wearing a pink button-down shirt and blue jeans, and is smiling while reading a blue book. The woman, on the right, is wearing a maroon cardigan over a light-colored top, blue jeans, and white sneakers. She is also smiling and reading a book. They are sitting in front of a large tree with reddish-brown bark. In the background, there is a building with large windows reflecting the trees. The overall scene is bright and sunny.

Site Furnishings Ready For Your Community

We know that when a bench, table, or trash receptacle leaves us, it has to be ready to serve your community.

That's why at Superior Recreational Products we've built our company on hard work and the promise of providing you, our customer, with durable and reliable commercial outdoor furniture, dog park equipment, and fitness equipment at a great price. We combine quality materials and superior craftsmanship to provide you with products that are ready for whatever your community has in store.

Our Bedrock, Your Benefits

Flagship offering made in America

Exclusive textured polyethylene coating that is durable and easily repaired

Low maintenance & vandal-resistant

Quality without the high price

Furniture, dog park equipment, and fitness equipment from one company

Helping You Say Goodbye to Bidding

We've teamed with strategic partners so you can bypass the bidding process. Visit srpsiteamenities.com/contracts to learn more.

Ordering Made Easy

Contact your local Superior sales representative to start the ordering process. They can answer any questions and provide product pricing and shipping information. Find your local representative at srpsiteamenities.com/find-a-rep.

Warranty

Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure.

- Lifetime* Warranty on Stainless Steel Hardware
- 7-Year Limited Warranty on Textured Polyethylene and Thermoplastic
- 5-Year Limited Warranty on Frames and Powder Coat
- 1-Year Limited warranty on moving parts and materials not covered above

The Limited Warranty excludes abnormal conditions, contingent liability, cosmetic defects such as scratches, dents, marring, stripping, peeling, or fading; damage due to incorrect installation, vandalism, misuse, accident wear and tear from normal use; exposure to extreme weather, immersion in salt or chlorine water, damage due to sand, salt spray, or other abrasive and corrosive material; unauthorized repair or modification, abnormal use, or lack of maintenance. The warranty does not cover damages due to "acts of God" such as hail, flooding, lightning, tornadoes, sand storms, shifts of terrain, earthquakes, mud slides, and windstorms. SRP does not warrant product for defects caused by erection, harsh site conditions, lack of maintenance, and/or other conditions beyond SRP's control. SRP will not be held responsible for any materials that were not properly stored prior to installation. SRP reserves the right to void the limited warranty if it not installed per the installation instructions and/or unauthorized modifications.

In the unlikely event of failure, SRP reserves the right to alter the design, color, or contributing factors to rectify the condition and help prevent any future reoccurrence(s). SRP has the option to repair or replace any defect in materials.

The warranty is void if any changes, modifications, additions, or attachments are made to the product without the written consent of the manufacturer.

SRP excludes any implied warranty of merchantability, fitness, or purpose, and there are no warranties which extend beyond the description of the face hereof. Under no circumstances will SRP be responsible for any indirect, special, consequential, incidental, or liquidated damages due to breach of warranty and such damages are specifically excluded from the warranty.

The owner shall notify SRP with original Sales Order Number issued from SRP to arrange for an inspection within 30 days after discovery of any defect under this warranty and before any alteration or repair is made or attempted. This Limited Warranty shall be null and void if the owner makes any alterations in design.

This warranty is the only express warranty given by the company. No person has authority to change or add to these obligations and liabilities. The company reserves the right to determine whether the fault is caused by faulty workmanship, material, or the part that is defective.

*For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by Superior Recreational Products using approved Superior Recreational Products parts. Superior Recreational Products will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.
