Why **DOGIPOT**® Is
The **SMART** Choice

Why **DOGIPOT**® is the **SMART** choice

- Largest selection of high quality, aesthetically-pleasing dog waste removal products
- Economically-conscious product concept
- Most dependable rolled and hanging litter pick up and liner trash bags
- The most durable commercial duty product line on the market
- Best quality and economic value
- Friendly, expert, world class customer service
- Same day East and West coast shipping
- **BEST OVERALL SOLUTION** to your dog pollution issues

Experience the **DOGIPOT**® Advantage!

DOGIPOT® is the market leader in dog waste removal systems since 1994. We supply the largest selection of high quality and aesthetically-pleasing commercial duty products to help keep public parks, private communities, apartment and condominium complexes, trails, campgrounds, RV parks, hotels and resorts, marinas, airports, highway rest stops, dog parks, and all other dog-friendly areas, free from the unsightly, smelly and harmful nuisance of dog pollution. **DOGIPOT**® products provide a very economical and practical method to encourage dog owners, rather than maintenance staff, to assume the responsibility for dog pollution. There are **DOGIPOT**® imitators in the market, but nobody is able to match **DOGIPOT**®'s high quality product line, world class customer service and value! **GUARANTEED!**

The Smart Solution to Dog Pollution.

Smart Litter Pick Up Bags™

DOGIPOT® Smart Litter Pick Up Bags™ are the most effective, dependable and economical tool used to help eliminate dog pollution in dog friendly areas. Thick enough to withstand the rigors of shipping, warehouse storage, exposure to various environmental elements and to get the pick up job complete, yet not too big or too thick that just adds unnecessary costs or material to the waste stream. **DOGIPOT® Smart Litter Pick Up Bags™** are the SMART choice. They are the perfect pick up tool that provides the perfect balance of dependability and value. It's the dependability that saves you money!

Smart Liner Trash Bags™

DOGIPOT® supplies a variety of SMART Liner Trash Bags™. Our heavy duty 10-15 gallon are the most popular and are specifically designed to fit all **DOGIPOT®** Pet Station trash receptacles and **DOGIPOT®** and can be used with any 10-15 gallon trash receptacles. Our 33 gallon (Medium) and 55 gallon (XL) SMART Liner Trash Bags™ are perfect for use in numerous other receptacle types that may or may not be a part of dog waste pick up programs, and unlike most liner trash bags of this size, **DOGIPOT®** are economically-friendly, using the same technology as our SMART Litter Pick Up Bags™. Additionally, these liners are extra extra heavy-duty, puncture and tear resistant and have added strength with a star-seal bottom. All **DOGIPOT®** SMART Liner Trash Bags™ are designed for superior performance and with the **DOGIPOT®** dependability you know and expect.

Trash Receptacles

1206-L STEEL TRASH RECEPTACLE WITH LID

The powder coated forest green 10 Gallon Steel Trash Receptacle comes with a stainless steel lid and may be post-mounted. This is the most durable steel trash receptacle on the market.

1206A-L ALUMINUM RECEPTACLE WITH LID

This item is identical to the steel version of this product, but has the weather resistant advantages offered by a commercial duty aluminum product. This is the most durable aluminum trash receptacle on the market.

Includes: One (1) box of 50 heavy duty **DOGIPOT**® Smart Liner Trash Bags™, and mounting hardware.

1208-L POLYETHYLENE TRASH RECEPTACLE WITH LID

The forest green 10 Gallon Poly Trash Receptacle comes with a sturdy lid that fully covers the opening and helps hold the **DOGIPOT**® Smart Liner Trash Bags™ in place. This is the most economical trash receptacle on the market.

Includes: One (1) box of 50 heavy duty **DOGIPOT**® Smart Liner Trash Bags™, and mounting hardware.

Pet Stations

DOGIPOT® founded the Pet Station concept in which all others have attempted to follow. **DOGIPOT®** offers the premier, most durable, best value dog waste removal system on the market to meet our customers' particular needs. Our best selling **DOGIPOT®** Pet Stations stand out from all other competitive products on the market as the highest quality, most economical and practical tool to motivate dog owners to pick up after their dogs and keep all dog areas free of dog pollution. The presence of **DOGIPOT®** Pet Stations will help keep all of your dog-friendly areas, and our community clean and beautiful.

Juniors

DOGIPOT® Junior Bag Dispensers are a versatile tool to help eliminate dog pollution. Their low price and high bag capacity make it the ideal tool to encourage residents and visitors to pick up after their dogs in public parks, private communities, apartment and condo complexes, campgrounds, RV parks, hotel yards, dog walk areas, marina common areas, and all other dog-friendly areas.

DOGIPOT® Junior Bag Dispensers are built to last unlike many of the competitive products on the market today. These may be mounted in numerous convenient locations to encourage maximum usage. The dispensers have a 400 bag capacity so maintenance staff does not have to fill each unit as often. **DOGIPOT®** Junior Bag Dispensers are the must-have tool for pick up program success and cleaner dog-friendly areas.

DOGVALET®

The aesthetically appealing **DOGIPOT® DOGVALET®** makes it convenient for dog owners to pick up after their dogs by providing both the necessary tool (built in dispenser with capacity of two (2) rolls @ 200 bags each of opaque green, **DOGIPOT® Smart Litter Pick Up Bags™**) and the convenient trash receptacle to dispose of bagged dog waste. The **DOGIPOT® DOGVALET®** eliminates the excuses for not being a responsible dog owner. Unlike time consuming cleaning of dog walk areas, the **DOGIPOT® DOGVALET®** can be conveniently emptied at the same time as the scheduled trash collection. This best selling item comes in a durable aluminum or economical polyethylene, and is the perfect tool to help eliminate dog pollution.
